Chairperson Tracy Dean called in to order an emergency BOER meeting at 6:40 p.m. on August 11, 2020, in the Board of Elections and Registration office located at 94 Spring Lake Dr., Danielsville, GA.

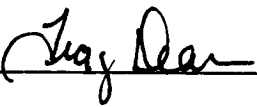

Ms. Dean called an emergency meeting to discuss two episodes that happened earlier in the day. The first episode was at the Danielsville precinct. A voter was concerned that workers were not wearing masks. Ms. Dean stated to voter that mask were available for the workers but not required. Ms. Dean spoke with the SOS and they stated that masks were encouraged according to the Governor Kemp but not required.

The second episode was at the Comer precinct. A voter called Ms. Dean to complain that he felt the workers influenced him to choose a particular ballot style. He phoned Ms. Dean after he got home and said he would write an article in the paper as well as a formal complaint to the state. He mentioned five workers but there were only four workers assigned to the precinct. Ms. Dean told him that was his right to do so. Ms. Dean asked him to email her a statement describing what happened and also asked the poll workers to also write statements. A copy is enclosed in the minutes.

The BOER members thanked Ms. Dean for making them aware of the situation and felt it was handled appropriately.

Ms. Scott made a motion to adjourn meeting. Mr. Owens seconded the motion. The motion was approved.
