Chairperson's Report

The total as of today for In Person voting is 4687. Absentee ballot mailed is just over 700 and 516 have been returned.

A voter, who was in a wheelchair, complained about the parking lot and ramp being difficult to maneuver. Ms. Dean told him we had spoken to the BOC Chairman on several occasions. The voter called Chairman Higdon and asked if he would come over to the BOER office. Chairman Higdon came over and they discussed the issues. Ms. Dean was not advised of any solutions to the problems.

Poll Watchers from the local Republican Party will have watchers in the Comer and Hull Precincts on Election Day,

Early Processing of Absentee Ballots will begin on November 2, 2022.

The mayor of Hull has called Ms. Dean asking about his qualification and ethic reports. She informed him that all of that is the responsibility of the city per the IGA and that all of that information should be there at the city.

Grady News Source from UGA will be here on Election Night posted outside to do live footage.
